### **What's in a name..?**

Quarry Cottages are 3 modern and purpose built self-catering cottages conveniently located in the historic village of Ballachulish, close to Glencoe. Although built in more recent times, the cottages take their name from the world famous Ballachulish slate quarry. The cottages are an ideal holiday base.

### **Everything you need...**

Sleeping 4 guests in 2 bedrooms the cottages are very popular with families and friends alike. Downstairs you'll find a fully fitted kitchen and pleasant open plan lounge / dining area. We've added all the things we think you'll need to make your stay as comfortable as possible, with items such as washing machines, dishwashers and DVDs as standard.

### **The perfect location...**

Whether looking to bag a few Munros or simply sit back and relax, Quarry Cottages are the perfect location for the perfect holiday. Set against the backdrop of the vast pyramid of Ben Vhair, there's a real feeling of being amidst the high mountains. Access to the nearby hills couldn't be easier, with Glencoe literally round the corner. However, the cottages are also well placed for less arduous activities. A pub and restaurant, the Co-op and Visitor Centre with coffee shop are all just a couple of minutes away on foot.
